

BUSINESS CASE STUDY.

Topic – Reuse of corrugated
boxes for packing using
Perforator Machine

Current Situation at Bhiwandi MCF - 1

- While dispatch of the material, we use the Honeycomb Board sheet as a packing material to avoid damages of the material.
- Honeycomb board sheets are purchased every month as a packing material.
- Currently we consume Honeycomb board sheets average **100 / month** & which costs us average **INR 2000 thousand / month**.
- **Total cost / year – INR 24000 thousand**

Thank you!
