Bhiwandi MCF 1

Perforator Machine

Quotation – Subrashi Dynamics Pvt. Ltd

Model	AVANTI CP 450	AVANTI CP 455
Avanti: Product Specifications:		
Cut Type	Perforated Cardboard Mats	Perforated Cardboard Mats
Feed width (mm)	450	450
Cardboards Thickness Capacity	Upto 7ply to 9 ply	9 ply to 10 ply
Motor	3 Hp	5 Hp
Voltage	415 V / 50 Hz	415 V / 50 Hz
Power	2.2 KW/HR (3 HP)	3.75 KW/HR (5 HP)
Speed (meters/minute)	7.5 mtrs/ min	12.5 mtrs/ min
Weight (Kgs)	200 kg	220 kg
Machine Dimension (mm) HXWXD	1000x850x500	1000x850x500
Overload & Overheat Protection	Yes	Yes
Noise Level	65 db	65 db
Motor Start/Off Working cycle if operated in	Online Starter continuous	Online Starter continuous

Model	AVANTI CP 450	AVANTI CP 455
Avanti: Product Specifications:		
ventilated ambience and at 60% rated capacity		
Additional Vacuum	Yes - Available	Yes – Available
Salient Features :	• 100% Made In India • Made with Technical Expertise of 25 Years • Spare Part Support Available for next 10 Years • Affordable working Height • High Speed • High Capacity • Completely Enclosed • Inspired by Korean Designs	• 100% Made In India • Made with Technical Expertise of 25 Years • Spare Part Support Available for next 10 Years • Affordable working Height • High Speed • High Capacity • Completely Enclosed • Inspired by Korean Designs
Prices (Rs).	3,10,000.00	3,60,000.00

RECOMMENDED MODEL : " AVANTI CP455 "

Vendor Source – IndiaMart

Earlier, we used bubble wrap for export material packing and scrapped the corrugated boxes. However, by using this machine, plastic bubble wrap has a negative impact on the environment, whereas using boxes has a positive impact on the environment. It also helps save the customer's time in scrap tracking.

Thank you!
